Hi Erica,

Thank you for confirming your desired start date of **2019-10-28!**

To ensure that you are able to start class on this date, please complete the following tasks two weeks prior to the start of class:

1. All pre-course work assignments for your focus can be found [here](#).
(Please note that if there are any changes in the requirements you will be contacted by either a member of the Admissions Team or the Instructors.)
2. Read our [Student Guide](#) (19 Minutes) and accept our School Policies.
3. Complete your [Income Share Agreement](#). Please sign up with the email address we have on record: evoingram@aquoco.onmicrosoft.com

Please note that these tasks must be completed two weeks prior to the start of class. If you are unable to meet the deadline, we will automatically defer you to the next available class.

If you have any additional questions, please visit our [Lambda Help Center](#).

We look forward to you seeing you in class!

The Lambda School Admissions Team
